Mark your calendars for a creation seminar from Bruce Malone on May 3rd at 9:00am here at CFBC. Bruce is the director of Search for the Truth Ministries and has authored 10 books with over 700,000 copies in print! He will be speaking about "The Faith of the Founding Fathers of Science," a teaching that will explore how the great early scientists' belief in the Bible guided their understanding of scientific discoveries. Hosted by Foundations in Genesis Idaho (FIGI).

The Spring potluck for Off Our Rockers, our CFBC Seniors fellowship, will be Thursday, May 8 at 11:30 in the Fellowship Hall. Josh Engler, who directs the TRIO Upward Bound program at Caldwell High School, will be our guest. Upward Bound helps at-risk students from low-income families, where neither parent has a college degree, to enter and complete college. Many students are accepted at top tier universities, where they are prepared for outstanding careers. We're inviting students from the program to come, too! Don't miss it!
